

# HOW THE SRC USES Student Fees

## SRC STUDENT FEE

The SRC only collects and uses two specific fees directly in the budget. The Activity Fee and the Yearbook Fee.

## EVENTS AND THE GAIT

Those fees are used for things such as Winterfest, O-Week, The Gait and Fall Fest.

## BUDGETING

With how small the school is we rely heavily on those two fees as they are critical to the overall financial health of the SRC .

## GIVE BACK TO STUDENTS

Any money we make is automatically reinvested into the students as we are a not-for profit organization.
